

Thames Valley District School Board

Our school is committed to providing all students with a safe, caring, and inclusive learning environment free from bullying and harassment that promotes respect, acceptance, and empathy.

Our staff, students, parents, and community will work together as a team to make our school safe and welcoming for everyone.

Safe and Inclusive School Plan

Ensuring Positive Learning Environments

This year we are focusing on treating each other with kindness and respect with an emphasis on accepting each other for both our similarities and our differences. We are doing this because here at Locke's, we want to build a learning environment where everyone belongs and feels like a part of the Lion pride.

Throughout the year, we will be:

1. Build community using our school wide assemblies and celebrations.
2. Use our Acts of Kindness Board to lift each other up.
3. Teach various conflict resolution strategies through instructional practices so that our students can share their feelings in a safe space.

Community/Home Connections

Ask your child about what acts of kindness they shared or received at school.

Try talking about your day at home with your child, perhaps there are things they share with you, that they would not share at school with us.

Check out this resource [Name It, Calm It, Stop It](#) about identifying a problem, how it makes us feel and how we stop it from happening in the future.
